

# Prepare your entire program for success.

Hudl provides small college athletics a comprehensive video analysis solution that meets the needs of every team.

## Support every coach.

Provide coaches equal resources to run video operations and effectively communicate with their teams.

## Give all student-athletes the same opportunities.

Department packages unlock access to video analysis tools that help every player learn and improve.

## Provide a seamless freshman experience.

Two million high school athletes will use Hudl this year—ease your incoming freshmen's transition to collegiate athletics with the platform they know.

## Empower your recruiting staff.

Help your athletic program stand out to prospective athletes by offering exclusive tools and a Division I-level experience.
